**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Smaller companies such as Sonic, provide personalized services, quick response, and immediate assistance that is quite often missing from Mega corporations. Competition, is by all means the backbone of capitalism, that we as Americans have held key to progress and innovation. Our communication business model is truly becoming global, and as long as smaller companies recognize the value of this fact, we can all benefit. I'm just one of many who prefer developing relationships with small scale operations to fill my needs. Thank You..
